FFGAMES BUS LINES

Please check carefully [the transportation schedule on the site](#), so that we can avoid the delays, especially in the morning for the first transport.

PARLIAMENT PALACE VISIT SCHEDULE

Due to the low participation in the visits from yesterday and today at the Parliament, **the reservations are cancelled**. We are sorry about this, we tried hard to keep the reservations, but the number of visitors is big and we went with only few persons out of a group of 40 per hour...

OPENING CEREMONY AND MASS

Due to the unexpected heavy rain on Tuesday, we were forced to postpone the Opening Ceremony.

We are glad to inform you that will organize the Opening Ceremony on Thursday, starting with 19.45. The groups are required to bring their national flag. We will enter the hall in groups per country.

After all the groups are in their seats, we will start the Holy Mass. All the info regarding the Mass are in the [bulletin 2](#).

For the Mass, we request the coaches to tell their participants:

- To turn off their mobile phones
- To behave respectfully
- Not to clap their hands during Mass

After the Mass, we will continue the Opening Ceremony.
